

СТУДЕНЧЕСКАЯ СТАЖИРОВКА В ЛАТВИИ (В РИГЕ) НА РУССКОМ ЯЗЫКЕ

* Student Internship Program in Russian & Интенсивные курсы русского языка

* Intensive Russian language courses in Russian Language School of BIA

Riga is recognized as one of the most comfortable cities of Europe for studying the Russian language as:

- ▶ For citizens of the European Union and many other countries a visa is not required;
- ▶ 50 % of inhabitants of Riga are English –speaking people, it is possible to practice the Russian language everywhere;
- ▶ According to the EUROSTAT data more than 90% of inhabitants of Latvia know the Russian language;
- ▶ European service;
- ▶ Riga is one of the safest European capitals;
- ▶ In Riga the largest airport in the Baltic States;

The Baltic international Academy (BIA) – is the largest in the EU higher education accredited institution with academic bachelor's, master's and doctoral programs in Russian.

In the “School of the Russian language” of BIA study the Russian language not only the foreign students, but also journalists, economists, lawyers, the employees of an international companies, the employees of diplomatic missions of various countries. The experienced lecturers – native – speakers of the Russian language pay attention to all language aspects; therefore, classes quickly and significantly improve the conversational skills, grammar, listening recognition and pronunciation. In addition, it is possible to choose the specialized classes, for example, business Russian. Rooms are fully equipped and satisfy all the needs of the students. Twice a year, in spring and autumn the international ECL exam is graded in the Russian language.

The “School of the Russian language” of BIA operates all year round, excluding the holidays. It is possible to join to the group every Monday or to choose individual classes. Testing before the beginning of the course is free.

- ▶ **Intensive course in the group**
(20 academic hours per week) – 200 EUR
- ▶ **Intensive course in the group**
(30 academic hours per week) – 280 EUR
- ▶ **Individual classes –**
20 EUR per academic hour (45 minutes)

In the course price for group is included: testing, certificate of BIA and loop tour.

On the most programs of the Baltic International Academy the teaching language is Russian that provides an opportunity:

- ▶ To communicate with the students of BIA in the Russian language;
- ▶ To participate in a student's life after the classes;
Make new Russian-speaking friends;
- ▶ To practice the Russian language in the library of BIA (the best library in the Russian language in the Baltic States);
- ▶ To practice the Russian language in the student's cafes of BIA.
