

INTERNATIONAL WEEK in Tartu Health Care College: Supervising (International) Students

Date: 7-11 September 2015
Venue: Nooruse 5, Tartu, Estonia

Dear Colleagues,

Tartu Health Care College is pleased to announce the 2nd International Week for colleagues from our partner institutions. The staff week is organized by Tartu Health Care College and is mainly directed to following units: international relations, Erasmus student's integration structures, supervising (international) students. It will give you overview about practice supervisors training in Tartu Health Care College, practice documentation, cultural differences, evaluation and feedback of practice. We value your institution as a cooperation partner and would be delighted to receive representatives of your institution here in Tartu.

There are no participation fees.

Participants are expected to cover their own travel, accommodation and other expenses through the Erasmus staff exchange programme or otherwise.

The language of communication will be English.

We offer:

- an opportunity to learn more about Tartu Health Care College and our experience in Estonia;
- possibilities of meeting colleagues from the professional fields and discussing about future cooperation perspectives;
- an opportunity to participate in workshops and a course;
- social and cultural activities.

The purpose of the international week is to exchange experiences on the field of international relations, supervising students, share best practices. Since it would be essential to learn from the different ways services are organized in different institutions, the participants are requested to make a brief presentation on their home institution supervising students and international relations. We invite you to present examples, ideas and concepts of your universities/colleges which will be analyzed and discussed in workshops.
