

INTERNSHIP REFERRAL

Pope John Paul II State School of Higher Education in Biała Podlaska kindly requests to accept and help the student:

The student's full name:

Field of study and year:

in the implementation of the task resulting from the programme of study in the field of,
of having to complete of the internship.

We also ask to appoint a supervisor who will directly supervise the student who is completing the internship, will acquaint him/her with the regulations applicable in the workplace, will set tasks to be implemented and will make appropriate entries confirming the successful completion of the internship.

The consent for the internship will be in the form of the agreement, completed, signed and given to the university, for the student internship along with the confirmation of the possibility of the implementation of learning outcomes.

Before the beginning of the internship, the University will give one copy of the signed agreement to the company accepting the student for the internship.

Thank you for your support.

Best regards
