The Bus line 175 departs from the airport every 15 minutes. Here is the list of the bus stops of 175 from Warsaw Airport – Arrivals http://www.ztm.waw.pl/rozkład_nowy.php?c=182&l=2&q=175

To get to the Warsaw Central Railway Station you have to get off at station called Dw. Centralny (Central Railway Station) - once you'll be approaching this station you'll hear a communique in English informing you about it. When you get off, you will see an entrance to an underground passage and from there on, you'll have to observe signposts which will guide you to the right platform. At every platform there are electronic information boards which will inform you about the arrival/delay/ departure of any particular train.

C) As I mentioned above, there is also an airport train station, it's located a little bit further than bus stop, you can read about it here <https://www.lotnisko-chopina.pl/en/train.html>

!!! One important remark – once you collect your bags from the luggage claim at Warsaw Chopin Airport and you enter the Arrivals zone, please try to exchange at least 10-20 Euros into Polish currency (but not more as the exchange rate at the airports is usually unfavourable), you'll need some cash to buy the public communication ticket from the Airport to Warsaw center, and then (in case you won't manage to buy the tickets online) you will need the cash to pay for the tickets (train 29.90 PLN, Garden express 28,00 PLN).
